We are a group of dedicated Democrats living in the San Ramon Valley who come together to support and promote the progressive social and political principles that always have been essential to the Democratic Party. The San Ramon Valley is comprised of Alamo, Blackhawk, Diablo, Danville, and San Ramon and members of our club come from each of those communities.

We meet once a month to hear a program at Crow Canyon Country Club in San Ramon on the evening of the fourth Thursday of the month. Our meetings are focused on issues of concern to Democrats, locally, statewide, and nationally. Our speakers are chosen for their astute insight into the problems before us as citizens and as voters. We socialize before and after the formal meetings, and enter into animated discussions about the topic of the day. In the process we become fast friends.

Join us as we register people to vote, walk precincts to educate voters, raise money for candidates, and enjoy the opportunity to socialize with people of common interests.

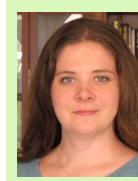

WE INVITE YOU TO JOIN US!
